

**FOR IMMEDIATE RELEASE March 25<sup>th</sup>, 2026**

**EPIC4 Specialty Partners Welcomes Bowers Orthodontic Specialists, P.C. to Its Growing Network of Leading Specialty Practices**

Scottsbluff, NE – EPIC4 Specialty Partners is pleased to welcome Bowers Orthodontic Specialists, P.C., a trusted orthodontic practice serving Bloomington-Normal, Illinois, to its expanding national network of doctor-led specialty practices.

Established in 1993 by Dr. Kurt T. Bowers, Bowers Orthodontic Specialists has provided high-quality, personalized orthodontic care to generations. Bowers is a Diplomate of the American Board of Orthodontics with dental and orthodontic degrees from the University of Iowa, leads a seasoned clinical team committed to hands-on, patient-first care.

“Bowers Orthodontic Specialists exemplifies the patient-centered, clinician-driven practices EPIC4 was built to support,” said Dr. Sami Webb, CEO of EPIC4 Specialty Partners. “We’re honored to partner with a practice that blends deep clinical expertise, long-standing community ties, and a commitment to personalized care.”

“From our initial conversations with EPIC4, it was clear they respected what we’ve built, our hands-on approach and the personal relationships that define our care,” said Dr. Kurt T. Bowers. “Joining EPIC4 allows us to preserve the uniqueness of our practice while accessing resources that support continued growth and excellent patient experiences.”

Bowers Orthodontic Specialists joins EPIC4’s growing family of premier specialty practices committed to collaborative growth, clinical autonomy, and building lasting legacies.

EPIC4 Specialty Partners is redefining the DSO model for orthodontic and pediatric specialists. Built by doctors for doctors, EPIC4 offers a true partnership providing strategic, operational, and financial support while preserving each practice’s clinical autonomy and culture. With a fast-growing network of high-performing practices nationwide, EPIC4 empowers doctors to grow intentionally, lead confidently, and focus on delivering exceptional patient care.
